SIR,

Adverting to Government Proceedings No. 4371-2/J:471 dated 28th September 1896 and No. 8195-6/J945 dated 18th January 1898, and in continuation of this office letters numbers as per margin, I have the honor to state that all endeavours to secure competent European Inspectors for the coffee tracts have proved fruitless and that of the 3 officers whose appointment was sanctioned in the Government Proceedings No. 8195-6/J945 dated 18th January 1898, one has already applied

applied for a transfer from the Coffee tracts and another has not given — satisfaction. I beg therefore, that till eligible European Inspectors are available, permission may be given to me to employ Inspectors without regard to nationality on pay of Rs ~~75~~ 70 Rs 80, les/- and Rs 100/- and horse allowance of Rs 20/- and to give them a local malnad allowance of Rs 50/- in addition. This malnad allowance may be raised to Rs 75/- and Rs 100/- after approved Service of and 10 years respectively. By this arrangement the Inspectors employed in the Coffee tracts will receive a fair and ample remuneration for their services and a sufficient inducement will be provided for qualified men volunteering for the Service. At the same time the total amount sanctioned by Government will not be exceeded. I append a Confidential memo explaining my reasons for this proposal more fully and beg to invite reference to letter No 6 dated 2nd July 1898 from the Deputy

Confidential Memo

Special European Inspectors for Coffee Tracts.

There are now 3 officers of this class:-

1 C. F. Wallin – 2nd Class drawing pay of Rs 150 + 20

2. R. S. Nagarkar – 2nd Class on Rs 125+20 rising to Rs 150 + 20. The maximum pay of Rs 150 + 20 was recently sanctioned by Government but I have withheld it pending orders

3. J. Ball – 2nd Class on Rs 100 + 20 rising to Rs 150 + 20

2. I regret to have to state that the rapid promotion of Wallin to Rs 150/ was a mistake. His work was never satisfactory and it is worse now. The Police Assistant Superintendent said

said he was impertinent, lazy. and troublesome, and Mr. Carr told me that his behaviour would be worse but for his strong control. If I could see my way to do so I would transfer him from Mudgere and treat him as an ordinary Inspector on Rs 100/-.

Nagarkar has applied to be transferred from the Coffee tracts and has as a preliminary step taken 3 months privilege leave

Ball is the only man that is doing fairly good work and has not applied for a transfer.

3. Mr. Carr is convinced that European Inspectors will never be admitted to Social intercourse with the European planters and must if they are men of any Spirit either feel for their position and quit the Service or take to drink.

He

He prefers to have good natives Mohomedans or Coorgs who can stand the climate.

In a discussion I had with him on the Subject, he strongly recommended the abolition of the high pay of Rs 150/ and Rs 200/ and adoption of Local allowances — Vide his letter — No. 6 dated 2nd July 1898 and extract from notes of discussion appended.

4. I would therefore strongly recommend that in modification of the Proceedings No. 4371-2 / J 471 dated 28th September 1896, the Inspector General of Police be authorized, till eligible European Inspectors are available, to employ for Coffee tracts qualified Inspectors of any Nationality on pay of Rs 70, 80 and Rs 100 with a local allowance of Rs 50 besides horse allowance of Rs 20 - This local allowance may be raised to Rs 75/- after an approved service of 5 years and

and to Rs 100/- after an approved Service of 10 years. This will not involve any increase over the maximum of the present scale This will enable us to transfer a man that breaks down or proves incompetent to some other Station in the Province, and send some other in his stead without extra cost to the State or giving rise to a reasonable grievance on the part of the former when his salary becomes less.

5. This local allowance will have to be sanctioned for :-

1. Hindgere,
2. Koppa,
3. Manjarabad,

and 4. Balehonnur as soon as it is constituted a Taluk

6. In this connection I would strongly recommend a local allowance of Rs 25/- for Chikmagalur and

Tarikere

Tarikere also as the work there is very difficult and living very expensive. No Inspector is willing to stay there and an inducement ~~of this Kind is indispensable~~

Enclosure No.

Sir,

In reply to your Memo No. 6/7/98 dated 5.7.98 I have the honour to forward herewith separately addressed to you on the subject of granting two months privilege leave to Inspector Nagendra of the Hosapa Taluk, and I propose to deal in this letter with that part of his application which relates to his transfer from the Hosapa Taluk, as well as with the general question of

Trans

transferring certain Inspectors from this district.

2. Inspector Nagarkar was posted to Koppa on pay Rs 125+20 in February 1898, and during the short period of four months he has been in charge of this important Taluk he has proved himself a capable Inspector. Soon after his transfer to this district he represented to my predecessor the hardship to which he was subjected by the transfer from Bangalore to Koppa, on the same pay as he was drawing in Bangalore viz Rs 125+20. Taking his circumstances and the conditions of married life into consideration Mr Weir recommended him in March 1899 for the maximum pay of the appointment, viz. Rs 150/. I have also since supported Nagarkar's application to you for the increase recommended by my predecessor. Notwithstanding the encouragement held out to him Inspector Nagarkar has not been able to get over his domestic inconveniences which

urge him to seek an early tra
- fer from Koppa.

3. I have given the matter my
best consideration but I fail
to see my way to recommend h
transfer either to the Head Quar
office, or to any other Taluk in th
District, owing to the difficul
of offering any inducement to
another to take his place whi
allowing Inspector Nagavalla
to draw at the same time the
special Salary attached to the po
of Koppa Inspector.

4. Service in Mudlud entai
sacrifice of comforts and con
-veniences within the reach
of every one in Mudidan part
It also necessitates liberal pr
-vision against recurring sea
of ill-health. I would therefore
propose that to render the servi
in the Mudlud attractive it
would be necessary to make
the increased emoluments of th
office take the form of a

Local allowance.

5. European or Eurasian Inspectors of proved merit, experience and strength of character cannot be secured at all times to take up these special appointments in Mukhad. Such men when secured are frequently compelled to go on leave either by failing health or by some other cause. In such instances it will be necessary to secure to the acting incumbents the pecuniary advantages enjoyed by the permanent office-bearers.

6. I would therefore earnestly recommend the revision of the scale of Mukhad Coffee Inspectors, in such a manner as to secure to the person actually doing the duty of the post the increment now merged in the substantive salary of the appointment. The pay of the Mukhad Taluk Coffee Inspector may be fixed at Rs 100/- and the Local allowance pro-

proposed to business may be regulated according to the period of Mulnad Service on a scale varying from Rs 50/- to Rs 100/- by annual or biennial instalments. By this arrangement the Service in Mulnad Coffee tracts will be rendered more attractive to qualified Inspectors — the prospect of an increase of Mulnad allowance acting as an additional incentive to continued good Service in the Coffee districts.

7. While on this subject I may point out that in the Sami-Mulnad Coffee Talukas of Chickmagalur and Tarikere, it is not possible to expect low grade Inspectors can pay Rs 40 or 50 to maintain their position. Travelling and transport of Necessary kit in the Mulnad tracts of both these Talukas are equally difficult, and the living also is costly. On this ground the Amildars of these two Talukas and the Deputy Amildars of Yedehully have

have been allowed to draw
a Local Imulad allowance
of Rs 20/- each. I recommend
that the same concession
be extended to the Inspectors
of these Talukas in addition
to the usual horse allowance
now allowed to them.
8. Inspector Budan Khan
of the Chickmagalur Taluk
has been asking for a transfer
ever since he joined the division.
His family have suffered
ill-health and the expenses attend-
ant on such ill-health and the
cost of living at Chickmagalur
have been the cause of this
wish on his part for transfer.
For these reasons I would
recommend Budan Khan's
transfer to a Taluk in Shemoga
or other Malnad district.
9. I would suggest that a higher
grade Inspector should be sent
to this Taluk which is the
largest in the Mysore Province,
and is a most important one.
There have been three murders

S.

of low grade Inspectors in Chitt
nagher in the last 18 months

10. Before Concluding this letter
I would urge that the opportunity
of recognizing the claims of
Head Quarter Inspector Najiabhai
for a transfer to a Muidan dis
-trict may be taken when Gov
-ment may be taken when Gov
Consider the forgoing proposals.
Najiabhai Naidoo is a Police officer
of long standing who has already
Completed his period of Muidan
Service. Want of encouragement
a cord to long service in Muidan
has not added to his energy as
an executive officer, and he is
found of little or no use to the
head of the district Police office.

I have the honor to be
Sir
your most obedient Servant

Extract from the notes of discussion with the Deputy Commissin, Kadur

The following points were discussed and decided upon at the interview between the Deputy Commissioner and the Inspector General of Police on the afternoon of the 29th June 1938 at Camp Kadur.

1. Inspector Nagarkar's applicati for leave and his unwillingnes remain at Koppa were brought Inspector General's notice. ×

× × × × ×

To avoid inconvenience a ing the transfer of Malnad under existing conditions and vi view to make the service in h attractive, it was deemed exp and necessary to move the General to raise the scal of the Malnad Inspectors

a Malnad Inspector might be fixed at Rs 100/- and the increase intended to cover expensiveness of living in Malnad might be granted in the shape of local allowance at rates varying according to the period of the incumbents' Malnad Service from Rs 50 to Rs 100.

It was also decided that a similar local allowance of Rs 20 or Rs 25 might be proposed for the Inspectors of Semi-Malnad Coffee Taluks like Chikmagalur and Tarikere.
